- What South Carolina officer with an improbable name assumed Gen. Bernard Bee's command when Bee fell at first Manassas?
- What name was given to the day on which Robert E. Lee's retreating men were overwhelmed on?
- At what site were Confederate raiders accused of having driven wagons over wounded black soldiers?

YOU ARE THE MEETING!

YES, Gordon is asking that each of us discuss a book, a visit to a civil war site, a reenactment, etc. Please note to give pros and/or cons that you felt you experienced enough to recommend to others, or not.

As always, at the last meeting of the campaign, we will have the annual election of officers.

This is getting to be a broken record, But now it is critical that you volunteer for the offices, you know why!

In addition, we will cover the Trivia questions and see how clever you really are.

The book raffle will take place. Be as generous as you can in buying tickets, since doing his raffle is primarily to support the activities of the SCWRT.

FINALLY

We say goodbye for the summer. The 2017-2018 year resulted in some really good speakers.
